Explosive results for PageProof in the latest G2 report

Dynamite results in online proofing

We are over the moon that PageProof has been voted the top solution by customers in 3 out of the 5 categories in the **G2 Fall 2021 online proofing category report.** PageProof was awarded a staggering 8 out of the total 15 potential badges. We also received a near-perfect **4.9 out of 5 stars.**

It comes as no surprise then that we were awarded the High Performer badge in the latest report. We are passionate about evolving the online proofing category – we believe there is always a better way.

Evolving online proofing.

A big thank you to our users who have provided reviews – we are thrilled to have so many happy customers behind us.

Let's take a quick look at why we have scored so highly:

We put customers front and center

At PageProof, we prioritize our customers' needs every step of the way. For every customer connection along their journey – we aim to make that experience exceptional. Customers are asked to rate their relationship with their online proofing provider for the G2 Fall 2021 online proofing category report. Buyers can then easily gauge what kind of relationship to expect from companies in this category. We are therefore thrilled to have been awarded all **3 out of 3 badges** in the *Relationship* category.

Voted: Best relationship

We are customer-focused every step of the way and we are over the moon to be voted as the product with the Best Relationship. Being awarded a fantastic score of 97% is especially rewarding considering the category average for *Relationship* is 88%. Meaning our users recognize that we believe in creating a joyful, nurtured experience that puts customers and their brands at the forefront.

Voted: Best support

We pride ourselves on our customer support. Therefore, it is an honor to be voted as the product with the *Highest Quality of Support* with a near-perfect score of 99%. Meaning our users recognize our personal touch with every customer interaction – no ifs, buts, or bots.

Voted: Easiest to do business with

We are so proud of our *Ease of doing business with* score. The 99% reflects that we make sure you are dealing with more humans, less bots.

More humans, less bots.
